LETTER TO THE FAITHFUL OF THE DIOCESE

Dear Brothers and Sisters in Christ,

Grace and peace to you in our Lord Jesus Christ.

In keeping with our commitment to responsible stewardship and transparency, I wish to share with you an important step being undertaken in our Diocese.

The Diocese has engaged **WRR Advisory LLC**, an independent consulting firm led by certified public accountants, to conduct financial process reviews of diocesan parishes and entities. As part of this engagement, **St. Peter Chaldean Diocese and Cathedral** will be the first institutions reviewed.

The purpose of these reviews is to examine selected financial and administrative processes and to provide recommendations that strengthen oversight and accountability. The Diocese is committed to the responsible stewardship of the resources entrusted to this community, and this work is an important step in support of that commitment.

This effort is part of our ongoing desire to serve the faithful with integrity, prudence, and transparency. We undertake it in a spirit of responsibility and care for the temporal goods of the Church, always mindful that these resources are entrusted to us for the mission of Christ and the good of His people.

As your **Apostolic Administrator** *sede vacante*, I want every member of the faithful to know that we are committed to integrity in the administration of the Church's goods. The resources entrusted to the Diocese and our parishes belong to the mission of Christ and must always be handled with care, honesty, and responsibility.

I ask for your prayers during this process: for wisdom for those conducting the review, for honesty and cooperation from all involved, and for the continued strengthening of trust within our diocesan family. Our goal is not only sound administration, but also a renewed witness to the Gospel through accountability and truth.

Thank you for your faith, support, and love for the Church. May the Lord bless you and keep you always.

Sincerely in Christ,
